Calamine Lotion

Calamine and Zinc Oxide

Relieves minor skin rashes, irritation and sunburn

200ml

Read the label before use.
Boots Calamine Lotion is applied to the skin to soothe and relieve minor skin rashes, irritation and sunburn.

Directions for use
For external use only. Liquid for application to the skin. Shake the bottle thoroughly before use.

Adults and children: Apply to the affected area with cotton wool.
If you accidentally swallow Boots Calamine Lotion it should not cause any problems but if you notice anything consult your doctor or pharmacist.

Warnings
Use this medicine only on your skin
Do not use if you are allergic to any of the ingredients with symptoms of itching, rashes or difficulty breathing. Ask your doctor before use if having an x-ray, as the product may mask the x-ray picture.
Avoid contact with eyes, digestive cavities, genital tract and other sensitive parts of the body. If you have an allergic reaction or notice any other side effects discontinue use and consult your doctor or pharmacist.

Reporting of side effects: If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this label. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard or search for MHRA Yellow Card in the Google Play or Apple App Store. By reporting side effects you can help provide more information on the safety of this medicine.

Active Ingredients
Calamine 15% w/v and Zinc Oxide 5% w/v.
Also contains bentonite (E558), sodium citrate (E331), phenol, glycerol (E422) and purified water.

Storage: Keep out of the sight and reach of children.
