

ES75

Comfort capturing anytime

The ES75 combines a 27mm ultra wide angle lens with a 5x zoom.

no image available

Key Features

27mm wide angle, 5x optical zoom

Whether you're indoors or out, shooting a landscape or friends around a table, this fantastic lens gives you a wider shooting range from a shorter distance.

Smart Auto Mode

Clever technology optimises the camera automatically to ensure the best results.

Face Detection

Clever technology that optimises focus and exposure for stunning portraits.
