Thames Sightseeing Cruise and The London Eye for Two

Get away from the crowded streets and enjoy a more relaxing approach to sightseeing with a cruise along the Thames. Board your vessel and head downstream to Greenwich. This cruise gives a unique perspective and superb views of the Houses of Parliament, St Paul's and Tate Modern and many more London landmarks. Why not hop on and off at one of the four piers during your cruise should you wish to explore? Afterwards you can then make your way to the EDF Energy London Eye where you may have to queue a little, but it'll certainly be worth it. Once you have reached the top of the eye (135 feet), you'll enjoy incredible panoramic views of London.

Availability

Operates every day of the year except Christmas Day. The Eye is closed on Christmas Day and for annual maintenance for two weeks each January, otherwise open from 10am to approximately 9pm daily.

Participant Guidelines

Anyone under 18 must be accompanied by a participating adult. We are pleased to advise that the sightseeing boats and London Eye offer full wheelchair access.

Duration

From Westminster Pier, the earliest departure is at 10am with others throughout the day (you are free to hop on or off the cruiser during any of the many stops). Your flight on the London Eye lasts 30 minutes and can be taken anytime during the day.

Numbers on the Day

The river cruiser carries a maximum of 250 passengers.

Spectators

Spectators are welcome to wave you off from the river bank.

Dress Code

If you're planning to explore London on foot, we'd recommend comfy shoes.

Location
