Skidpan

Learn how to control your vehicle with a skid control driving experience at Silverstone - the spiritual home of British Motorsport. Controlling a skid can be very useful in bad weather conditions and this experience gives you all the necessary advice and information to combat inclement weather on the highways. Not only is a skid control driving experience very informative, it is also a really fun day out, giving you a rare chance to enjoy a car and its reaction to skidding around the Silverstone circuit.

Availability

This experience operates throughout the year. The circuit is closed for the winter from mid December to mid January.

A Tour of Twickenham with Gareth Chilcott

We can't all score a try at Twickenham, but this experience at least lets you play out some of your rugby dreams. Your experience starts when you meet Bath, England and British Lions legend Gareth Chilcott. After a tea or coffee, Gareth will take you on a tour of Twickenham, including the England team dressing room, the Royal Box, the players' tunnel and even the hallowed turf from the pitch side (we challenge you not to imagine you're running out to the roar of the home crowd!). Then visit the interactive Museum of Rugby, which houses the most extensive collection of rugby memorabilia in the world. You will also receive a ten percent discount voucher to use in the rugby store at the end of your tour. Along the way, you'll have plenty of time to get playing tips from Gareth, as well as some insider gossip - Gareth is full of funny stories and anecdotes. Dare you to call him Cooch.

Availability

Selected weekend dates during the year up to October.

Participant Guidelines

Minimum age is 11. Under 16s must be accompanied by a participating adult.

Duration

Your experience lasts for around two and a half hours, including a 90 minute tour.

Numbers on the Day

There will be up to 20 people on the tour.

Dress Code

Dress code is casual. It's a walking tour (including some steps) and some sections are outdoors, so wear comfy shoes and bring a brolly if it's a wet day.

Location

Twickenham, Middlesex

Cook and Dine

This hands-on cookery school offers an exciting cooking experience with something for everyone. Whether a classic French dish or a hot and spicy oriental menu, an Italian classic or healthy sushi, these recipes are guaranteed to excite all home cooks (whatever level). Classes are run by professional Michelin star trained chefs who will guide you through each step of your chosen menu, sharing expert tips and tricks of the trade as you prepare your meal. Once everything is ready, sit down to enjoy your tasty creations over a glass of wine in the dining area. You will receive a L'atelier des Chefs apron and the recipes will be forwarded to you via email to recreate at home.

Availability

Courses run Saturday lunchtimes and occasional weekday mornings throughout the year.

Participant Guidelines

All participants over the age of 16 are welcome.

Duration

Your experience will last for an hour and a half in the kitchen for your cookery course and extra time for dining.

Numbers of the Day

Expect to share your experience with up to 19 other budding chefs.

Dress Code

There is no dress code but we recommend wearing comfortable and closed in shoes. Aprons are provided to protect your clothes whilst cooking.

Location

West End, London.
