## Paintballing for Eight

Imagine crashing through the undergrowth, dodging paintballs, hiding behind buses or helicopters and spying on your enemies. This is a real chance to shake off your day-to-day responsibilities and rekindle a spirit of adventure. On arrival you will be kitted out with full body armour, head protection and the latest USA-spec rapid-fire semi-automatic machinegun. You will begin your experience with a briefing from the friendly DF marshalling staff, prior to selecting the game zone of your choice. There are six zones in all and you can play as many or as few as you like. Paintballs are not included but you can buy as many as you like on the day and hot drinks are on tap throughout. You will finish your day with a debrief and awards presentation.

### Availability

Events run every weekend and occasionally on weekdays.

### Participant Guidelines

Minimum age 10. Paintballing is physically demanding and paintballs can bruise you if you get hit.

### Duration

If you choose to stay for the full day then please expect to be at the venue for approximately seven hours, beginning at 9am and ending at around 4pm. Please arrive 10 minutes early to ensure a prompt start. Lunch will be at around 1.30pm.

### Numbers on the Day

There is no limit to the amount of participants but there will be no more than 20 to each marshall.

### Spectators

Spectators are welcome but must remain in the safety zone at all times. Viewing of the actual experience will be limited. Bring a camera as there will be some great shots to be taken in the safety area.

## Segway Rally

The Segway is a new marvel of technology that is self balancing, keeping you upright and in complete control at all times. Made to feel as simple as walking, it offers a feeling akin to hovering above the ground, making this an entirely novel and totally thrilling mode of getting around. Start with a full instruction and safety briefing, then get to grips with the Segway controls. Set off on a natural track through wooded and open surroundings to put what you have learned into Segway racing practise. With overtaking sections en route there is plenty of opportunity to let your competitive streak loose! Your experience concludes with a certificate presentation. So go ahead and try the transport of the future, now!

### Availability

Available throughout the year at each of the five venues, a minimum of once a month, a maximum of four times a month (depending on venue chosen).

### Participant Guidelines

Minimum age 12 and those taking part under the age of 18 must be accompanied by a participating adult. Minimum weight is 45kg (7 stone) and maximum weight is 117kg (18.5 stone). Safety dictates that pregnant woman cannot participate.

### Duration

The experience will last for approximately an hour, including your briefing and Segway driving time.

### Numbers on the Day

Share your Segway racing time with a maximum of five other participants.

### Spectators

There is a small waiting area for spectators and they can watch the riders from a number of trackside areas.

### Dress Code

Dress appropriately for this outdoor activity and be aware that you may get muddy. All safety equipment (full body protection and a helmet) will be supplied by the venue. We recommend you wear flat, sturdy covered shoes or trainers and gloves.
