Paintballing

## Paintballing

Put both skill and nerves to the ultimate test with a thrilling day of paintballing. On arrival, get kitted out in specially-designed combat attire and paintballing equipment, including a top of the range semi-automatic paintball gun (with 100 paintballs) and full face protection goggles. Begin with a comprehensive safety briefing from a qualified marshal before commencing play. There are between six and eight games included within the experience, staged in a variety of purpose-built, themed zones, all designed to test proficiencies such as leadership, strategy, navigation and teamwork.

### Availability

Every weekend throughout the year.

### Participant Guidelines

Minimum age 16. Paintballing is physically demanding and paintballs can bruise you if you get hit.

### Duration

Please expect to be at the venue for approximately eight hours. Each game lasts around 20 minutes.

### Numbers on the Day

You'll work as part of a team of 15 to 20 people doing battle against an opposing group. There can be up to 250 participants on site during the day; the more the merrier, extra soldiers make for more paintball challenging madness.

### Spectators

Because participants play in several different areas, spectators are not able to see the action and are required to remain in the safety zone at all times.

### Dress Code

Wear old clothes (ideally layers or thick, padded clothing) and trainers or walking boots. You'll be provided with overalls, full face masks, goggles with eye, ear and throat protection and all other equipment.

### Locations

West Yorkshire, London, Hertfordshire, West Midlands, West Lothian, Surrey, Berkshire, Renfrewshire, Staffordshire, Essex, Derbyshire, Northumberland, Devon, Hampshire, Bristol City, Northamptonshire, West Sussex, Lancashire, Cheshire, Norfolk, Buckinghamshire, Nottinghamshire, Leicestershire, Wales.

## Segway Rally

The Segway is a new marvel of technology that is self balancing, keeping you upright and in complete control at all times. Made to feel as simple as walking, it offers a feeling akin to hovering above the ground, making this an entirely novel and totally thrilling mode of getting around. Start with a full instruction and safety briefing, then get to grips with the Segway controls. Set off on a natural track through wooded and open surroundings to put what you have learned into Segway racing practise. With overtaking sections en route there is plenty of opportunity to let your competitive streak loose! Your experience concludes with a certificate presentation. So go ahead and try the transport of the future, now!

### Availability

Available throughout the year at each of the nine venues, a minimum of once a month, a maximum of four times a month (depending on venue chosen).

### Participant Guidelines

Minimum age 12 and those taking part under the age of 18 must be accompanied by a participating adult. Minimum weight is 45kg (7 stone) and maximum weight is 117kg (18.5 stone). Safety dictates that pregnant woman cannot participate.

### Duration

The experience will last for approximately an hour, including your briefing and Segway driving time.

### Numbers on the Day

Share your Segway racing time with a maximum of five other participants.

### Spectators

Not all venues include a waiting area for spectators but they can watch the riders from a number of trackside areas.

### Dress Code

Dress appropriately for this outdoor activity and be aware that you may get muddy. All safety equipment (full body protection and a helmet) will be supplied by the venue. We recommend you wear flat, sturdy covered shoes or trainers and gloves.

### Locations

Oxfordshire, Hertfordshire, Cheshire, Northamptonshire, London, Norfolk, Warwickshire. Staffordshire, Hampshire
