

Directions

Apply to the affected area. Use as often as required or as directed by your pharmacist or doctor.

Oilatum Junior Cream is especially effective if applied immediately after washing, to counteract the loss of essential oils from the skin. **Oilatum Junior Cream** is suitable for children and babies.

Warnings

Avoid using this product if you are sensitive to any of the ingredients. If an adult uses this product whilst breast-feeding, wash all traces prior to feeding.

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this label. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard. By reporting side effects you can help provide more information on the safety of this medicine.

Use this medicine only on your skin.

KEEP OUT OF THE SIGHT AND REACH OF CHILDREN.

Do not use the product after the expiry date.

Do not store above 25°C

**Stiefel**
Skin Science Solutions

Oilatum Junior Cream has been specially developed for children and babies. It is used in the treatment of atopic eczema, contact dermatitis and dry, sensitive skin.

Oilatum Junior Cream forms a protective film which moisturises, soothes, softens and rehydrates the skin.
