

Allergy Eye Mist

Read instructions before use and retain for future reference.

Boots Allergy Eye Mist contains ingredients to help soothe and relieve irritated and itchy eyes.

Boots Allergy Eye Mist contains calendula and hamamelis natural plant extracts to help provide soothing relief to your eyes.

Boots Allergy Eye Mist can be used to help relieve irritated and itchy eyes associated with allergens, such as pollen, dust and pollution.

It is convenient and hygienic to use, with a light, pleasant fragrance. Suitable for use with waterproof make-up. Handy travel sized pack.

Directions for use:

Shake well before use.

Before using for the first time push down on the nozzle 3 to 4 times.

Hold 10cm from your closed eyelid.

Spray 1 to 2 times onto closed eyelids up to 3 times per day.

Warnings:

Do not use if allergic to any of the ingredients.

Do not spray into open eyes.

Do not touch the surface of the eye with the spray head.

KEEP OUT OF SIGHT AND REACH OF CHILDREN

If irritation occurs, discontinue use and seek advice from your pharmacist or optician.

Do not use at the same time as using other eye preparations.

Do not swallow.

Do not use after the expiry date.

Avoid use with non-waterproof eye make-up.

The spray may in some circumstances carry make-up ingredients into the eyes, which may cause irritation. If this is the case, spray from an increased distance of 20cm. If irritation persists discontinue use.

How Boots Allergy Eye Mist works:

Traditionally calendula possesses antiseptic and anti-inflammatory properties.

Hamamelis has an astringent effect; astringents work by shrinking tiny blood vessels (capillaries) to help reduce the redness and watering of the eyes.

Together, calendula and hamamelis help to soothe and relieve itchy eyes and irritated eyes.

Safe for use with all types of contact lenses.

Ingredients:

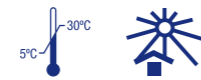

Calendula extract, Hamamelis extract, Polyhexamethylene biguanide, Disodium edetate, Sodium chloride, Boric acid, Borax, Water.

Storage:

Always replace the lid firmly on the nozzle after use.

Store between 5°C to 30°C

Keep out of direct light
Use within 90 days of opening
