**HC45** works by altering the body's responses to inflammatory reactions.

It is an effective treatment that reduces inflammation and relieves itching and irritation for up to 12 hours. **HC45** also promotes healing.

**Directions:** Check that tube neck seal is intact before first use. Use sparingly on small areas, once or twice a day for a maximum of 7 days.

**Precautions:** Do not use on eyes or face, anal or genital areas, or on broken or infected skin; e.g. impetigo, cold sores, acne, or athlete's foot.

Do not use in pregnancy or on children under 10 without medical advice.

If the condition does not improve, or anything unusual happens, talk to your doctor or pharmacist!

**KEEP ALL MEDICINES OUT OF THE REACH OF CHILDREN.**
